SPECIAL INVITATION

Dear Arizona Wildlife Supporter,

The Arizona Elk Society Annual Banquet and Auction is our signature fundraising event. Every year, it generates funds which support our numerous elk/wildlife habitat and riparian projects, youth programs, Hunts for Heroes disabled military veteran hunting events, wildlife conservation and advocacy. Last year's auction and banquet netted more than \$500,000. We have a long way to go to raise these support dollars for 2019, and we are gearing up for our 18th Annual Banquet on **Saturday, April 13, 2019** at the Mesa Convention Center—be sure to save this date on your calendar.

What We Do...

Since our founding in 2001, the generosity of individuals and businesses has funded Habitat and Riparian Restoration projects in Arizona with more than \$5,000,000 in improvements on over one million acres of wildlife habitat during the past 17 years, receiving national attention and acclaim for our efforts. Additionally, the Arizona Elk Society (AES), through our investment of over \$300,000, has benefitted more than 7,000 children through various youth projects, camps and scholarship programs throughout Arizona. Also, this year alone we supported more than 100 Hunts for Heroes in Arizona, changing lives and giving these disabled veterans new purpose.
